

i-Touch V34

Dual Screen Glass kiosk with 15" Touch screen and 20" Display screen

With a 20" display screen above the controlling touch screen, you can utilise the v34 kiosk as both an information point, and a marketing tool.

The dual screen capability of the v34 enables you to simultaneously display information or advertisements to the general public or your visitors, while a user can locate more specific information using the touchscreen. Dimensions: 650x2000x350 (WxHxD). Weight: 62Kg
