

i-Touch V40

Glass Lectern Unit with 15" finger and stylus touch screen

The Lectern Glass kiosk is an excellent presentation point kiosk. The units flexibility and fully open architecture make it a perfect solution for presentations and speeches, providing your speaker with many easy to access features

Using our v33 glass model as a base, this unit maintains the same class and style of the v33, while offering a number of new options, including external Microphones, Reading Lights and Remote Control Indicators. Dimensions: 650x1250x430 (WxHxD). Weight: 57Kg
