

i-Touch V16

Glass Wall Mounted Kiosk with 15" screen

This attractive Wall Mounted Kiosk, compact in design includes a fully integrated open architecture PC. Although unusually shaped this Kiosk is constructed using non-proprietary components, making maintenance no different to a standard PC.

The v16 is a stylish, minimalist glass model. Designed to be non intrusive this unit, pictured on the left, has the class and style to fit into both classic and modern styled locations, fitting in beautifully with the surrounding decor. Dimensions: 500(560)x550x110 (WxHxD). Weight: 15kg(16kg).
