

i-Touch V38

Kiosk Desk Unit with Transparent or Frosted Glass Panels and 15" screen

A new direction in kiosk information access with added privacy / security.

The v38 Workstation Kiosk can be fitted with either plain or frosted / coloured panels and privacy screen filters.

With many available options including keyboard, trackball, reduced A4 printer and the panel options as mentioned above, the v38 is an extremely versatile kiosk unit. With lots of space available for vinyl livery branding, the unit can be truly customised to either suit it's environment or carry a corporate branding. Dimensions: 850x1600x500 (WxHxD). Weight: 80Kg
